

# CORNELL CARR

## Window Wiper Systems

Cornell-Carr manufactures Pendulum and Pantographic Window Wipers which combine simplicity, efficiency and durability. They are built to resist the severe weather conditions inherent in navigation. A watertight cast aluminum housing, corrosion resistant components and a powerful 1/8 HP motor make the Cornell-Carr wiper the best on the market. Providing wipers to the US and international navies as well as commercial applications since the 1960's.

### Options

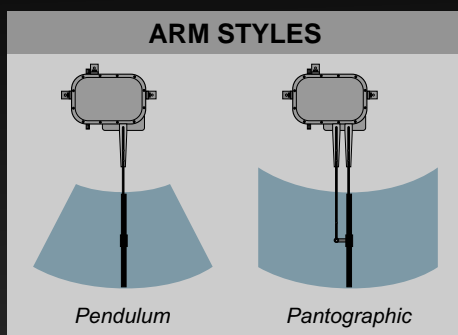

- Inboard or Outboard Mounting
- Top, Bottom or Side Mounting
- Pendulum or Pantographic Arm Styles
- Dual Motion Parallel Sweep
- Various Drive Shaft Lengths to accommodate wall thickness
- Heated Arms
- Pivot Heater
- Navy and Commercial Styles

### Features

- Variable Speed Control
- Adjustable Sweep
- Radio Frequency Suppression
- Extended Durability Wiper Arm Design
- 100/120 Volt DC/AC Heavy Duty Motor
- Conforming to MIL-W-3459, MIL-S-901

Cornell-Carr also produces the BAE line of wipers and controllers (see chart on next page).
